WHAT YOU GET

Every capability an organiser needs

Multi-discipline engine

One event runs Karate, Kickboxing, Boxing, BJJ & more — independent rules.

Dynamic divisions

Compose by age, gender, weight, rank, belt, skill, club & discipline.

Registration & payments

Public self-registration with lump-sum packages; collect fees to your own account.

Weigh-in control

Declared vs official weight, search & filter by category, pass / fail records.

Brackets & formats

Single elim, round robin, pools and judged ranking — seeded automatically.

Winner-first scoring

Tap the winner, pick the method; bouts auto-advance mat by mat. No clutter.

Kata score ranking

Enter scores, rank instantly, break ties with a tie-break score.

Live control room

Current / next / following bout for every mat, ring and court in one view.

Certificates & records

Auto champion / runner-up certificates with public QR verification.

CONFIGURABLE TAXONOMY

Sports, disciplines & rulesets

Karate

Kihon, Kata
Semi / Full Contact Kumite

Kyokushin

ROLE-BASED ACCESS

Three secure login tiers

Owner / Platform

Creates organisations & tournament hosts. Full control, audit, analytics.

Tournament Host

Runs one event end-to-end and issues mat-judge logins.

Tatami Judge

Sees only their mat's bouts — taps winners, nothing else.
